

Did You Know?

HEALTHe NL

now launches from

MEDITECH

MEDITECH

MEDITECH users with a HEALTHe NL account ...

Log in to MEDITECH PCI and search for a client

In the menu that opens, click 'External Applications'

Click 'HEALTHe NL' in the menu that appears

Enter your password on the HEALTHe NL login page

Note: this step is only required the first time you launch HEALTHe NL from MEDITECH. Subsequent times will launch automatically when you click HEALTHe NL.

The screenshot shows the MEDITECH interface. At the top, it displays 'Data Sources' and '16 Days'. Below that, patient information is shown: 'Pt RYAN, JERE_TPCHI Unit # 000059019999 A' and 'Rn 55ES 55117 A (Adm: 23/05/18)'. There are buttons for 'Print', 'Time', 'Mail', 'Select(1)', and 'Allergies'. A menu is open, showing 'External Applications' with sub-items: 'Orders', 'Care-Area Administrative Data', 'Admissions Demographic Data', and 'Visit History'. Below the menu is a 'LINK CHOICES' window with a list: '1 Entry Point Portal EH', '2 Entry Point Portal CMH', '3 Entry Point Portal LHC', '4 Entry Point Portal LWH', and '5 HEALTHe NL'. A green arrow points to the 'External Applications' menu, and another points to the 'HEALTHe NL' option. Below this is the 'HEALTHe NL' logo for 'NEWFOUNDLAND AND LABRADOR'. A validation prompt says: 'Validate your Meditech mnemonic by entering your HEALTHe NL user account and password'. There are three input fields: 'HEALTHe NL User:' with 'NLCHITEST3', 'Password:' with a masked password, and 'Meditech Mnemonic:' with 'NLCHITEST3'. A green arrow points to the password field.

Don't have a HEALTHe NL account?

Complete the [HEALTHe NL registration form](#).

Scan and return the form to NLCHI Service Desk by email healthenl@nlchi.nl.ca or fax (709) 752-6005.

NOTE: First time clients ...

HEALTHe NL will not launch from PCI for any client who has never registered in your RHA. To access their HEALTHe NL record prior to registration, go directly to the HEALTHe NL from your desktop or web browser.
